## DISCRETE BAR CHAIR

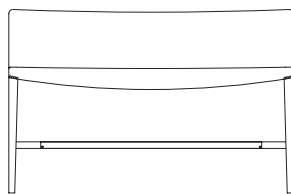

Dimensions: 20.5W X 15.5D X 35H, 24SH  
20.5W X 15.5D X 41H, 30SH

Materials: COM/COL  
Solid Walnut  
Nickel or Antique Brass nailhead trim  
Brushed Stainless Steel or Antique Brass footrest

Designed by: Maxine Snider

Description: Our Discrete Bar Chair follows the same witty and lyrical silhouette as the Discrete Bench and Discrete Barstool, but with the addition of a lean curved back for comfort. In spite of its thoroughly modern profile, our bar chair, with its tapered wood legs and shaped seat, bridges a range of styles with grace.
