DRESSING STAND

Dimensions: 20.5W X 17.5D X 43H, 65 OAH

Materials: Cherry or Mahogany
Faux Ivory pulls
Mirror with Polished Nickel or Dark Bronze frame

Designed by: Maxine Snider

Description: In spite of its name, the Dressing Stand performs as well in the dining room as the dressing room. Think gloves and scarves in one and silverware and linens in the other. The adjustable mirror is both practical and romantic, showing off the glimmer and sparkle of glassware and candles.
